

Geologist's Name:

---

What do you imagine is inside your cupcake?

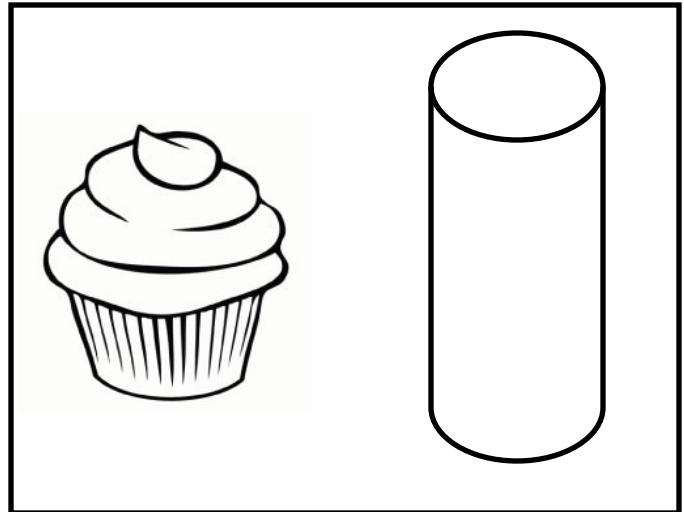

Draw Core sample 1 here.  
Make sure to mark WHERE  
you took it on the cupcake.

Draw Core sample 2 here.  
Make sure to mark WHERE  
you took it on the cupcake.

## Cupcake core samples continued

Draw Core sample 3 here. Make sure to mark WHERE you took it on the cupcake.

Based off of your 3 core samples, draw what you think your cupcake looks like:

Cut open your cupcake and draw what it actually looked like.

Were you close to being right!? YES NO
